File No.259/A2/08/S&TD.

CRZ - Clearance - Construction of Resort - Berggruen Hotels (P) Ltd. in Kottukai Village

The Secretary, Kottukai Grama Panchayath vide his letter dated 22.6.2007 requested to issue CRZ clearance for the construction of Special residential buildings for Berggruen Hotels (P) Ltd. in Sy.No.316/6-2, 361/11-1, 361/10, 361/4, 361/5, 361/15-1, 361/11-2, 361/6-1 and 347/62 of Kottukai Village, Thiruvananthapuram District. The proposed site lies between 200m & 500m in CRZ III from the High Tide Line of sea. *K&MA has discussed the matter* (Hence construction of resort is permissible. *et* The case may be recommended and forwarded to Government of India, subject to the following conditions:

- (i a) live fencing and barbed wire fencing with vegetative cover may be allowed around private properties subject to the condition that such fencing shall in no way hamper public access to the beach;
- (i b) no flattening of sand dunes shall be carried out;
- (i c) no permanent structures for sports facilities shall be permitted except construction of goal posts, net posts and lamp posts;
- (i d) construction of basements may be allowed subject to the condition that no objection certificate is obtained from the State Ground Water Authority to the effect that such construction will not adversely affect free flow of ground water in that area. The State Ground Water Authority shall take into consideration the guidelines issued by the Central Government before granting such no objection certificate.

Explanation:

Though no construction is allowed in the no development zone for the purposes of calculation of FSI, the area of entire plot including the portion which falls within the no development zone shall be taken into account.

- (ii) The total plot size shall not be less than 0.4 hectares and the total covered area on all floors shall not exceed 33 percent of the plot size i.e. the FSI shall not exceed 0.33.
- (iii) The construction shall be consistent with the surrounding landscape and local architectural style.
- (iv) The overall height of construction up to the highest ridge of the roof, shall not exceed 9 meters and the construction shall not be more than 2 floors (ground floor plus one upper floor)

(Contd.....)

- (v) Ground water shall not be tapped within 200m of the High Tide Line; within the 200 metre 500 metre zone it can be tapped only with the concurrence of the Central/State Ground Water Board;
- (vi) Extraction of sand, leveling or digging of sandy stretches except for structural foundation of building, swimming pool shall not be permitted within 500 metres of the High Tide Line;
- (vii) The quality of treated effluents, solid wastes, emissions and noise levels, etc. from the project area must conform to the standards laid down by the competent authorities including the Central/State Pollution Control Board and under the Environmental (Protection) Act, 1986;
- (viii) Necessary arrangements for the treatment of the effluents and solid wastes must be made. It must be ensured that the untreated effluents and solid wastes are not discharged into the water or on the beach; and no effluent/solid waste shall be discharged on the beach;
- (ix) Approval of the State/Tourism Department shall be obtained.
- (x) No construction activity is permitted in the 'No Development Zone' i.e. 0 - 200m from High Tide Line.
- (xi) Scrutiny fee.
- (xii) The construction will be made as per approved plan by relevant authorities including Local Administration and other agencies of the State/Central Govt.
- (xiii) This approval is from the CRZ angle only. All other approvals needed as per rules will have to be obtained by the Project Proponent.

W.P.©No.1876/07 filed by Shri.T.Antony – reg.

WP(C)No.1876/07 has been filed by Sri.T.Antony against the construction of ice plant in CRZ area. The case was placed before the Authority in its 23rd meeting. As per the Judgment dated 9.10.2007, the Hon'ble High Court has directed KCZMA to pass orders on the representation filed by the petitioner in WP(C)22088/07 for reclassifying the area within 2 months. The time limit to comply with the court order was 23.12.2007. The case was again placed before the 24th meeting of the Authority. It was decided to file an Extension Petition, since the process of reclassification needs more time. An Extension Petition has been filed in this case. KCZMA have constituted a Sub Committee and started the steps to study the reclassification of eligible CRZ III areas into CRZ II. For this purpose LSGD was directed to furnish the details of such Panchayaths in the specified proforma. Details are being awaited. The Sub Committee can study this matter only after getting necessary details from Local Self Government. Hence extension petition has been filed. The Hon'ble High Court has granted 6 months time from 26.12.2007 to comply with the directions in the judgment.

Point for decision

KCZMA may note the case.

KCZMA noted the case.

**Construction of Resort building in Ashtamudi Resorts (Club Maheendra) Pvt. Ltd.,
Chavara.**

Managing Director, Ashtamudi Resorts (Pvt.) Ltd., Kollam has requested CRZ clearance for the construction of new buildings in their resort at Chavara, Thekkumbhagom.

dl (The Managing Director, vide his letter dated 22.11.2006 informed that they have started a resort called "Ashtamudi Beach Resorts" in Sy.No.178/12, 178/13, 178,14, 178/15, 178/4, 177/14, 176/21 of the Thekkumbhagom Village (in the year *dl* 1990) (Now they have purchased properties, in Sy.No.178/9, 178/10, 178/11, 177/4, 177/12, 177/13, 176/2-2 of the same village, *dl* the adjacent properties, and had decided to develop the said land by making it a resort. CRZ Status report of the area forwarded to Government vide letter dated 30.3.2007.)

A Site Inspection was conducted on 25.9.2007, revised proposal for the project is received in Government on 9.10.2007. The case has been placed before KCZMA in its meeting 24th meeting held on 12-12-2007. As decided in the meeting, a Sub Committee was constituted for examining the case in detail. The Sub committee met on 22.1.2008 and 6.2.2008. (Copies of the Sub Committee reports may be seen as Annexure - I and II) *dl* The Sub Committee recommended to reject the proposal, as the proposed constructions is an expansion of the existing structures which lies in the No Development Zone.

Point for decision.

Whether the recommendation of the Sub Committee may be accepted.

KCZMA has accepted the recommendation of the subcommittee and rejected the proposal.

① KC2MA has discussed the matter in detail and decided to recommend the project proposal to MOEF, GOI as it is essential for the development of the area, subject to the following conditions.

1. Mangroves present in CRZ I (i) area shall be rehabilitated properly.
1. Engineering solution shall be adopted to ~~proje~~ protect the mangroves present in the CRZ I (i) area while constructing road.

**GIDA – Development of Kadamakkudy Panchayath – Moolampilly – Chathanad Road –
CRZ clearance – reg.**

Secretary, Goshree Islands Development Authority has requested CRZ clearance for construction of Moolampilly –Chathanad Road. This is a 5.2.KM road, connecting the NH-47 connectivity road towards north and reaches Chathanad at Paravoor Taluk providing connectivity to ICTT, Vallarpadom. The road passes through CRZ I(i), I(ii) and III area. As per the CRZ notification 1991, road construction in CRZ I is not a permissible activity. (Hence road though the present alignment is not possible. It may be noted that CRZ notification was amended for providing basic facilities for inhabitants of Sunderbans in CRZ I area. Hence the project proposal may be forwarded to MoEF with observation of KCZMA)

Point for decision

Whether the proposal for the construction of Moolampilly-Chathanad Road may be recommended and forwarded to MoEF for consideration, in consideration of the importance of the project and on the basis of the amendment to CRZ notification for providing basic facilities to the inhabitants of Sunderbans.

**Construction of a beach resort in Kottukal Village, M/s. Somatheeram, CRZ
clearance – reg.**

Chairman, Somatheeram Beach Resort has requested for CRZ clearance for the development of a beach resort at Chowara in Kottukal Village in sy.No.416/3-3, 491/1, 492/1-2. This was discussed in the CZMA meeting held on 27.4.2007 and it was decided to obtain CRZ status report and other relevant documents and to invite the project proponent for a presentation. The project proponent has now furnished CRZ status report and other documents. The proposed building is of plinth area 2335 sq.m. and height within 9mts. it lies beyond 200mts. of High Tide Line of sea. (In CRZ III area resort buildings are permissible between 200m and 500m from High Tide Line. Hence the project proposal may be recommended and forwarded to MoEF for clearance subject to the following conditions)

KCZMA in its 25th meeting discussed the matter in detail and decided to recommend the project proposal to GOI, subject to the following conditions

- (i a) live fencing and barbed wire fencing with vegetative cover may be allowed around private properties subject to the condition that such fencing shall in no way hamper public access to the beach;
- (i b) no flattening of sand dunes shall be carried out;
- (i c) no permanent structures for sports facilities shall be permitted except construction of goal posts, net posts and lamp posts;
- ~~*~~ (i d) construction of basements may be allowed subject to the condition that no objection certificate is obtained from the State Ground Water Authority to the effect that such construction will not adversely affect free flow of ground water in that area. The State Ground Water Authority shall take into consideration the guidelines issued by the Central Government before granting such no objection certificate.

Explanation:

Though no construction is allowed in the no development zone for the purposes of calculation of FSI, the area of entire plot including the portion which falls within the no development zone shall be taken into account.

- (ii) The total plot size shall not be less than 0.4 hectares and the total covered area on all floors shall not exceed 33 percent of the plot size i.e. the FSI shall not exceed 0.33.

(Contd.....)

- (iii) The construction shall be consistent with the surrounding landscape and local architectural style.
- (iv) The overall height of construction up to the highest ridge of the roof, shall not exceed 9 meters and the construction shall not be more than 2 floors (ground floor plus one upper floor)
- (v) Ground water shall not be tapped within 200m of the High Tide Line; within the 200 metre 500 metre zone it can be tapped only with the concurrence of the Central/State Ground Water Board;
- (vi) Extraction of sand, leveling or digging of sandy stretches except for structural foundation of building, swimming pool shall not be permitted within 500 metres of the High Tide Line;
- (vii) The quality of treated effluents, solid wastes, emissions and noise levels, etc. from the project area must conform to the standards laid down by the competent authorities including the Central/State Pollution Control Board and under the Environmental (Protection) Act, 1986;
- (viii) Necessary arrangements for the treatment of the effluents and solid wastes must be made. It must be ensured that the untreated effluents and solid wastes are not discharged into the water or on the beach;
- (ix) Approval of the State/Tourism Department shall be obtained.
- (x) No construction activity is permitted in the 'No Development Zone' ie. 0 – 200m from High Tide Line.
- (xi) Scrutiny fee.
- (xii) The construction will be made as per approved plan by relevant authorities including Local Administration and other agencies of the State/Central Govt.
- (xiii) This approval is from the CRZ angle only. All other approvals needed as per rules will have to be obtained by the Project Proponent.

10) NCLMA in its 25th meeting discussed the matter in detail and decided to ascertain from the Municipality that, whether the road existed prior to 1991. The chairman is authorised to take a decision on receiving the report from the municipality.

Alappuzha Municipality – Project proposal for Beach Resort Personalised Holidays India Pvt. Ltd. – CRZ clearance – reg.

Municipal Secretary, Alappuzha Municipality has forwarded the proposal for the construction of Beach Resort by Personalised Holidays India Pvt. Ltd. in Sy.No.775/1-36, 775/1-34-2, 775/1-35 in Alappuzha Civil Station Ward. The area belongs to CRZ II. The proposed construction is on the landward side on an existing road as per the site plan. (The project estimate is not received. Clearance may be issued if the project estimate is below 5 crores, if the cost exceeds 5 crores and the case may be recommended to MoEF subject to the following conditions and subject to the project proponent producing the detailed estimate of the project.)

- (i a) live fencing and barbed wire fencing with vegetative cover may be allowed around private properties subject to the condition that such fencing shall in no way hamper public access to the beach;
- (i b) no flattening of sand dunes shall be carried out;
- (i c) no permanent structures for sports facilities shall be permitted except construction of goal posts, net posts and lamp posts;
- (i d) construction of basements may be allowed subject to the condition that no objection certificate is obtained from the State Ground Water Authority to the effect that such construction will not adversely affect free flow of ground water in that area. The State Ground Water Authority shall take into consideration the guidelines issued by the Central Government before granting such no objection certificate.

Explanation:

Though no construction is allowed in the no development zone for the purposes of calculation of FSI, the area of entire plot including the portion which falls within the no development zone shall be taken into account.

- (ii) The total plot size shall not be less than 0.4 hectares and the total covered area on all floors shall not exceed 33 percent of the plot size i.e. the FSI shall not exceed 0.33.

(Contd.....)

100

- (iii) The construction shall be consistent with the surrounding landscape and local architectural style.
- (iv) Ground water shall not be tapped within 200m of the High Tide Line; within the 200 metre 500 metre zone it can be tapped only with the concurrence of the Central/State Ground Water Board;

IREL- Mining – CRZ clearance – reg.

The Chief General Manager, IREL, vide his letter dated 5.11.2007 requested CRZ clearance for mining in 4.8 hectors of land in Alappad Village, Karunagappally Taluk, Kollam District.

KCZMA has considered the matter in detail and decided to recommend the proposal to Ministry of Environment and Forests subject to the following conditions:

- i) *Mining of rare minerals can be done only in CRZ III area, in the proposed location in Azheekal in Alappad Village.*
- ii) *Mining is not permitted in CRZ I(i) area and CRZ I(ii) area.*
- iii) *No construction shall be undertaken in the above area.*

Judgment dated 13.8.2007 in W.P@ No.19287/07 filed by M/s.Agnus Holdings – reg.

The Hon'ble High court in its judgment dated 13.8.'07 in W.P.(C) No.19287/07 has directed Kerala Coastal Zone Management Authority to consider the question of reclassification of Maradu Grama Panchayath into CRZ II area within a period of 3 months from the date of receipt of the copy of the judgment. Similar directions have been received in a few other Writ petitions also. The Hon'ble High Court is being moved for extension of time to comply with the direction in each case separately.

KCZMA noted the case and directed that action may be taken to move the Court for extension by appraising the intricacies involved.

Annexure-I

**Kerala Coastal Zone Management Authority – 24th Meeting at 2.30PM on
12.12.2007.**

Present:

1. Dr.E.P.Yesodharan, Chairman, KCZMA.
2. Dr.M.Baba, Director, CESS

**Report of Inspection conducted by KCZMA Sub Committee at Ashtamudi Resorts
on 22.1.2008**

As decided by the KCZMA meeting held on 12.12.2007, the Sub Committee constituted vide G.O.(Rt)6/08/S&TD dated 11.1.2008, visited the site of Ashtamudi Resorts at Thekkumbhagam, Kollam on 22.1.2008. The Sub Committee studied the connected file and made field inspection of the proposed site for new construction. The Sub Committee could not finalise the report for want of following documents:

- i) The fresh application with all supporting documents in proper form.
- ii) Application with Survey Nos. and Plan approved by Panchayath.
- iii) Site plan showing the clearance from High Tide Line.
- iv) Valid Documents supporting the existence of old buildings prior to 1991.

2. It has been decided that the Authority may call for the above documents and to pass on to the Sub committee for its next sitting.

3. The Convener is authorized to convene the next sitting of the Sub Committee on receipt of the above documents.

Report of the Sub Committee of KCZMA held on 6.2.2008 on the request of Ashtamudi Resorts

The Sub Committee met at 2.30PM in the Government Guest House, Ernakulam. The application and other documents submitted afresh by the project proponent were verified. It is seen that as per the report dated 31.1.2008 of the Panchayat, the proposed construction falls within 100m from High Tide Line and therefore the Panchayat had rejected it. The Sub committee also found that the project proponent has requested for an expansion of the existing buildings which are in the No Development Zone. The Sub Committee therefore recommends to turn down the proposal. The KCZMA may take a final decision.

Prof. Madhusoodana Kurup, Chairman.
