**Report of the Sub Committee constituted to study the CRZ aspects for
construction of Houses under Government Housing Scheme in Edavanakkad
Grama Panchayath**

A Sub Committee was constituted to study the CRZ aspects with regard to the proposal for the construction of Houses under Government Housing Scheme in Edavanakkad Grama Panchayath. Copy of the inspection report may be seen **attached** to this.

KCZMA may discuss the report and advise on the further course of action.

**REPORT ON CRZ SITE VISIT IN EDAVANAKKAD GRAMAPANCHAYATH
AREA, ERNAKULAM DISTRICT**

1. Introduction

Kerala Coastal Zone Management Authority constituted a committee consists of Prof. A. Ramachandran, Registrar, CUSAT and Dr. Kamalakshan Kokkal, Joint Director and Head, KSCSTE vide letter No. 208/A2/2011/KCZMA/S&TD dated 24.05.2013 for verification of the constructions on CRZ/ disaster angles in Edavanakkad Gramapanchayath.

2. Methodology

The committee visited the construction of buildings made in Edavanakkad Gramapanchayath on 16th August 2013 along with officials of Edavanakkad Gramapanchayath. The committee members had a detailed discussion with officials of the Gramapanchayath. Mr. Hari, Librarian of the Panchayath accompanied the Committee for field verification of constructions. The report prepared by CESS on construction of buildings in Edavanakkad Gramapanchayath was verified in the field. All the 22 constructions referred by the Edavanakkad Gramapanchayath are located or proposed to be located in the CRZ (Table 1). Among the constructions five are along the sea coast and the remaining 17 are on the banks of backwater /kayal. The dwelling units are proposed to be constructed under various Govt sponsored programmes including EMS housing scheme. The report prepared by Dr. K.V. Thomas, Scientist from CESS is used for detailed verification of constructions in the Edavanakkad Gramapanchayath. The 54th KCZMA considered the above site inspection report prepared by Dr. K. V. Thomas and constituted the present committee to verify the constructions on CRZ as well as disaster angle.

3. Location

Edavanakkad Gramapanchayath is a part of Vyppin island and is located between Lakshadweep sea and Vembanad kayal in Ernakulam district. Canal such as Aniyil thodu, Pazhayangadi thodu, Chthangad thodu and the backwater kayal divide the panchayath into many islands. The area has number of filtration ponds. All the 22 buildings are located close to the sea, kayal or the filtration ponds.

4. CRZ Status

As per the 2011 notification the backwater islands have a CRZ of 50 m on the landward side of HTL. The 50m CRZ is a No Development Zone in CRZ III. The water body consists of filtration ponds and backwater and the bed are CRZ IV. Along the sea coast CRZ is 500m landward HTL of the sea. The 18 constructions are in the backwater islands lying within 50m of CRZ fall in the no development zone in CRZ III. The 4 constructions are lie within 200m No Development Zone of sea in CRZ III (Photos 1 and 2). Two of the constructions are not for dwelling purposes in which one is a proposed workshop and another one is renovation of an ayurvedic medicine store. The details of constructions and distance from HTL are given in Table 1.

Dwelling Units: The CRZ constructions made/proposed (except 2) are for dwelling purpose. Out of these 5 numbers (Serial NO 6, 8,9, 10 14 and 15 in Table 1) are renovations and the remaining are new constructions. Renovations/ repairs of dwelling units are permissible in CRZ.

In the report prepared by CESS it was reported that Edavanakkad Gramapanchayth has extensive areas covered under filtration ponds and canals. The land area in the panchayath mostly lies on the banks of backwater which are No Development Zone of CRZ III or on the banks of filtration ponds which are categorised as CRZ I in the CZMP (1996) of the state. It may be noted that the community in the panchaytah finds it very difficult to construct dwelling units and other infrastructural facilities. As such more than 90 % of the Panchayath is in the NDZ of CRZIII or on the banks of pokkali field which is in CRZ I. Majority of people depend on the fisheries and may be included under the category of "ecosystem people" as they depend on resources of kayals and backwater for their living.

5. Recommendations

On verification of the 22 constructions made/proposed in the Edavanakkad Gramapanchayath the committee recommended the following for necessary consideration of KCZMA.

(a) As recommended by CESS, five numbers of constructions (Serial No 6, 8, 9, 14 and 15 in Table 1) are renovation of dwelling unit in the No Development Zone of CRZ and which are permissible. However, the buildings No 6, 8 and 9 lie within 200m from HTL of sea (No Developing Zone) and are vulnerable for hazards from sea. Hence the committee recommend the above construction for approval except the building^s under serial No.6, 8 and 9.

(b) Two numbers of constructions (Serial No 7 and 16 in Table 1) are not dwelling units and are made/proposed for other purposes and hence ^{are} not permissible.

Besides building No 16 lie within zoom of HTL of sea and vulnerable for hazards from sea. Hence the above two buildings are not recommended for approval.

(b) Remaining 14 are new constructions for dwelling purposes under various Govt sponsored programmes including EMS housing schemes. Further the committee is of the opinion that the owners of the above buildings may be considered as 'ecosystem people' as they depend on backwater and filtration ponds for their living. Further, their constructions are dwelling units having an area of less than 60 sq. m as permitted by KCZMA in certain earlier instances where building constructions are not permissible as per CRZ notifications. Hence the committee

recommend the above constructions for approval. *The building No. 11 is not recommended for approval as it lies within 200m from sea and vulnerable for hazards from sea.*

The committee classified the 22 constructions as per details given in Table 2.

SI No	Constructions	Remarks
(a)	Constructions which are permissible as per CRZ notification	Serial No 6, 8, 9, 14 and 15 in Table 1. The Committee is not recommending the construction with serial no 6, 8, 9 in table 1 as these are vulnerable for hazards from sea and lie within No developing zone. This area was a Tsunami affected area.
(b)	Constructions made/proposed for non-dwelling purpose	Serial No 7 and 16 in Table 1 are not permissible.
(c)	14 constructions made/proposed for dwelling purpose	Serial No 1, 2, 3, 4, 5, 10, 11, 12, 13, 17, 18, 19, 20, 21, and 22 in Table 1 are not permissible as per CRZ notifications while as they belong to "ecosystem"

(d)	Dwelling House in MIDZ of sea	recommended the above construction for approval by following the precedences. Building no. 11 lies in MIDZ

- Name of Applicant** : Sri. Pariyantevida Kamarudheen, S/o. Asainar, Palakkot.P.O, Via Vengara, Malappuram.
- Project Details** : Regularisation of Residential Building.
- Activities proposed** : Constructed a Residential building with plinth area of 125.98m². Two floor (Ground + Stair room), Height less than 9m.
- Location Details** : Re. Sy. No. 1/1A6 of Ramanthali Village. The construction is on the banks of Palakkod River 60m from HTL.
- CRZ of the area** : The area is in the No Development Zone of CRZ-III.
- Provisions of CRZ Notification.** : As per CRZ Notification 2011, Clause 8 III A (ii) No new constructions can be permitted in the No Development Zone of CRZ-III. Only reconstruction can be permitted.
- Comments** : Ramanthali is an Island with sea on the west and backwater / river on other sides. If this Island is considered as Backwater Island then the CRZ will be reduced to 50m from HTL of the Inland water bodies.

Hence the matter is placed before the KCZMA meeting for a decision.

Suit Notice is filed by Advocates Sri. C.S.Manu & Sri. S.K.Premraj on the illegal construction along the banks of backwater in Ernakulam District

A Suit Notice has been filed by Advocates Sri.C.S.Manu and Sri.S.K.Premraj on the illegal constructions along the banks of backwater in Ernakulam District. The issue of major violations in Cochin Corporation and Maradu Municipal area is dealt within file No. 1803/A2/10/S&TD. Though notice has been issued to the concerned authorities, final report is still pending. The Sub Committee constituted for the identification of violations in the Coastal Districts may consider the issue seriously at the time of site visit. The violations made in Thripunithura Municipality has not been identified so far.

KCZMA may consider the case and suggest suitable measures to document the violations made against the provisions of CRZ Notification.

Establishment of Container Freight Station at Cochin Port Trust

The proposal for the establishment of a Container Freight Station at Cochin Port Trust has been considered by the KCZMA in its 55th and 57th meetings. The Authority decided to obtain specific documents regarding the time of reclamation. Accordingly the Port Trust Authorities furnished a reply. On a close reading of the same it is felt that the environment clearance mentioned therein is in respect of ICTT for which the reclamation of 350 acres was made. The port Trust has come to the conclusion that the reclamation was done prior to November 1984 as derived from the letter of Chief Engineer and Agenda for the meeting of Board of Trustees held as 29th November 1984, wherein the reclamation of 350 acres is mentioned. In the circumstances it may be thought of whether the details of MoEF clearance to the ICTT Project will be relevant to examine the present proposal for establishment of CFS in the part of the land of that 350 acres reclaimed.

The **copies of the resolution attached** there to is not properly authenticated.

KCZMA may consider the case and advise on the further course of action.

AGENDA ITEM No.8-7

Development of Communication Infrastructure in
the New Reclamation Area in Vallarpadam.

.....

Recently we have reclaimed about 350 acres of land south of Vallarpadam Island utilising the dredged materials from the Ernakulam Channel. This is presently an isolated area and it is essential to provide communication infrastructure in the area for facilitating maintenance of the reclamation area and as part of development of the area.

2. It is proposed to construct one R.C.C. Jetty on the Southern side of the reclamation area and another jetty in front of the north west corner of the reclaimed area. A Four meter gravel Road is proposed to be formed from the new jetty to the Panchayath Road at Vallarpadam near the old Vallarpadam Jetty. One East West cross road is also proposed from this road to the western side of the reclamation area. Behind the jetty proposed at the north west corner, an area of about 6000M² is proposed to be built up utilising the material that would be obtained from the dredging requirements for the jetty. A gravel road is proposed to be provided connecting this jetty to the road in front of the Vallarpadam Church.

3. The Financial Adviser & Chief Accounts Officer has concurred in the proposal.

4. The Chief Engineer has stated that the work is substantially completed and the completion cost of the project will be marginally in excess by about 2%. As such it is expected that the excess will be within the allowable limit of 10% and so revised sanction from the Government is not required for the estimate.

5. The estimated cost of the work amounts to Rs.18,25,000/-. It is proposed to charge this expenditure to the Estimates of I.D.P. Board's approval is requested for taking up the works proposed above charging the cost to the Estimates of I.D.P.

CRZ violations in Karumkulam Grama Panchayath, Neyyattinkara,
Trivandrum alleged by Sri.T.Joseph

Sri. T. Joseph residing at Lecma Cottage, Kallumukku in Karumkulam Grama Panchayath, Neyyattinkara, Thiruvananthapuram has furnished a petition seeking CRZ clearance for the building being constructed in the Karumkulam Grama Panchayath for conducting an Ayurveda Hospital. In his petition the petitioner has alleged that many CRZ violations have taken place near to his construction site with the permission of the Grama Panchayath. A Committee was constituted vide decision of the 58th meeting of KCZMA held on 27.07.2013 to enquire into the violations. The Committee furnished its report **(copy enclosed)** which recommended that “the proposed site for Ayurvedic Hospital lies in No Development Zone of CRZ III and hence not permissible. Two double storied residential buildings are found to be constructed in CRZ III, adjacent to the proposed site of Shri. T.Joseph. The above buildings obtained permission from Karumkulam Grama Panchayath. Under these circumstances the request of Shri. T. Joseph and the CRZ violations observed in the nearby area may be placed in KCZMA meeting for suitable decision”.

It may also be noted that the proposal has been examined by KCZMA earlier and disposed of vide Government letters No. 1146/A2/09/S&TD dated, 21.01.2010 and 620/A2/2010/S&TD dated, 24.04.2010 **(copy enclosed)**.

Hence the matter is placed before the KCZMA for a decision.

Extention of the term of appointment of Adv. Prakash Vadakkan,
Standing Counsel, KCZMA

Adv. Prakash Vadakkan is presently engaged as the Standing Counsel of KCZMA in Hon'ble High Court. His term of appointment expired on 01.05.2013. As per GO (Rt) No. 75/2012/S&TD dated, 01.10.2012 that says terms and conditions of his appointment, he is eligible for a retainer of Rs.5,000/- (Rupees Five Thousand only) per mensum, Rs.3,000/- (Rupees Three Thousand only) for each case and Rs.1,000/- (Rupees Thousand only) as stationery charges for each case. Besides his duties are also specified in the GO.

2. Now his term of appointment as Standing Counsel has been extended for one more year with effect from 01.05.2013 on existing terms and conditions. However he had proposed the authority to revise his remuneration in the following manner with effect from 01.05.2013.

	Item	Existing Amt.	Proposed Amt.
1.	Retainer fee.	5,000/-	10,000/-
2.	Fee for each case.	3,000/-	7,500/-
3.	Stationery charges	1,000/-	2,000/-

3. Apart from this, he had claimed Rs.2,26,500/- (Rupees Two Lakhs Twenty Six Thousand and Five Hundred only) leaving out his eligible remuneration, for conducting 7 cases (WPs) in which Hon'ble High Court has delivered a land mark judgement (to remove the structures of M/s. Vamika and M/s. Kapico Resorts in two islands in ALP so far as it violates CRZ Rules) connected with the CRZ violations in the State. Claim which is not supported with any documentary evidences or supporting vouchers/bills, states that he had attended 99 days hearings (for which he claim Rs.2,000/- per sitting i.e. Rs.1,98,000/-) and spent 28,500/- as stationery and other charges.

Hence KCZMA may decide on the following.

- (1) Ratification of the action in extending the term of Adv. Prakash Vadakkan as Standing Counsel for one more year w.e.f. 01.05.2013.
- (2) His claim for revision in his remuneration as stated in Para.2.
- (3) His claim of Rs.2,26,000/- for conducting 7 WPs in Hon'ble High Court as stated in para 3.

**Construction of Residential Building by Smt. Sheeja.S, Shuja Bhavan, Ottur,
Manambur.P.O, Thiruvananthapuram**

- Name of Applicant** : Smt. Sheeja.S, Shuja Bhavan, Ottur, Manambur.P.O,
Thiruvananthapuram.
- Project Details** : Construction of Residential building.
- Activities proposed** : Construction of residential building with plinth area of
478.28m². F.A.R 1.04.
- Location Details** : Re. Sy. No. 501/3-2 of Varkala Village. 120m from HTL of
sea.
- CRZ of the area** : The area is in CRZ-II as per the cadastral CRZ map of Varkala
Municipality.
- Provisions of CRZ
Notification.** : As per CRZ Notification 2011, Clause 8 II (i) & (ii) building
shall be permitted only on the landward side of the existing
road or on the landward side of existing authroised
structures. Building permitted on the landward side of the
existing and proposed roads or existing structures shall be
subject to the existing local town and country planning
regulations including the existing norms of FSI/FAR as on
19th February 1991. Construction of building for Tourism
activity for temporary occupation of tourists will not be
permissible in between 0-200 m from HTL of sea.
- Comments** : The purpose is written as Residential. But the building plan
reflects a Hotel. Hence the condition that Tourism activity
shall not be permitted in the building may be strictly adhered
to. If the building is for Tourism the CRZ clearance from
Ministry of Environment & Forest is mandatory even in CRZ-
II.
- The proponent has remitted Rs.50,000/- as Scrutiny fee for
CRZ clearance.

Hence the matter is placed before the KCZMA meeting for a decision.

Regularisation of building constructed for Commercial purpose by
Sri.Shibu.S, Alisseril, Punnapra.P.O, Alappuzha

CRZ clearance for regularization of Commercial building owned by Sri.Shibu.S, Alisseril, Punnapra.P.O, Alappuzha has already been declined vide letter No. 461/A3/11/KCZMA/S&TD dated, 18.04.2011 **(copy enclosed)** and the Secretary, Punnapra Grama Panchayath was instructed to initiate action to demolish the building. Again, an application of Sri.Shibu.S has been received through the Local Self Government (RA) Department for the same purpose. The Environment Group has remarked **(copy enclosed)** that **“as the construction is made the No Development Zone (NDZ) of CRZ-III and as Commercial building is not permissible in CRZ area, its regularization is not possible”**.

Hence the proposal is placed before the KCZMA for a decision.

Thiruvananthapuram**

57th meeting of the KCZMA discussed the proposal for construction of Apartment buildings by M/s. Heera Kerala Developers Pvt. Ltd. and noted that there is a disparity in the NOC issued by Pollution Control Board and it is further noted that the proposed construction falls partly in CRZ area where new constructions are prohibited. KCZMA decided that the area which was reclaimed by the proponent need to be restored and initiate action against reclamation of lake by invoking Environment Protection Act, 1986. As per the KCZMA decision Showcause Notice was issued to the proponent Sri.Abdul Rasheed on 12.08.2013 for furnishing reply within 15 days.

Subsequently, on the basis of his request, time limit to furnish the reply was extended upto 30.09.2011 with a condition that no construction shall be done in CRZ area until a decision in this regard is taken. However the proponent has again requested extension of time (upto 31.10.2013) which was rejected and Managing Director, Heera Pvt. Ltd. was directed to furnish the reply by return (on 10.10.2013). However no reply is seen received from the project proponent till date.

KCZMA may advise the future course of action in this matter.

CRZ violations around Akkulam Lake, Thiruvananthapuram

While investigating a complaint about alleged CRZ violations in Akkulam area by Heera Builders, Dr.K.V.Thomas, Scientist-G, CESS has reported that few other buildings and apartments on the banks of Akkulam Lake which are under construction or already constructed may also come under the purview of violation of the provisions of CRZ Notification and thus warrants a closer scrutiny. He has also reported that KSUDP has got demarcated the HTL, LTL and CRZ for the Coastal Zone of Akkulam Lake in 1:4000 scale in 2009 under the Theerapatham project. Accordingly, Chief Town Planner and Secretary of Thiruvananthapuram Corporation were advised to refer the above CRZ Map before giving license / permission for construction around Akkulam Lake and also directed the project proponents to get CRZ recommendation for any developmental activities on the banks of Akkulam Lake.

KCZMA may advise on the further course of action on the CRZ violations around Akkulam Lake, Thiruvananthapuram.

Construction of a star Hotel "ALL SEASON" in Thrikkadavoor Grama Panchayat violating CRZ Provisions

Sri. Johny. S and three others, Kottayathu Kadavu, Thrikkadavoor Grama Panchayat furnished a petition regarding the construction of Star Hotel "ALL SEASON" at the bank of Ashtamudi Lake in Thrikkadavoor Grama Panchayat violating the provisions of CRZ. The KCZMA constituted a Committee for site inspection. The site Inspection Report (**copy enclosed**) revealed that the Hotel building was made by reconstruction of an old residential building which had a ground floor only. The reconstruction of the old residential building is permissible for permissible activities subject to the conditions like existing plinth area, FSI and density. The committee found that the above conditions were violated during the construction of the building which is a violation of the provisions of CRZ Notification, 1991. Moreover, as per the approved CZMP the Hotel building lies in the No Development Zone of CRZ III. Further, the committee recommended that

the permission for the reconstruction of the building given by the Grama Panchayat without obtaining CRZ clearance from KCZMA should be examined.

57th meeting of KCZMA decided to call for explanation from the Secretary, Thrikkadavur Grama Panchayat and instruct to issue Stop Memo to the proponent of the Hotel. Accordingly Show Cause Notice was issued to the panchayat. In response to the Notice the Grama panchayat has explained that they have given permission since the area comes under CRZ II.

On the explanation of Grama Panchayat, the Environment Group has furnished following remarks "The Explanation given by the secretary of the Grama Panchayat is not legally tenable. In contrast the area was never declared as CRZ II. The approved CZMP in which the site falls in NDZ of Zone III was provided to all Grama Panchayat in 2000 itself. Moreover, reconstruction was permitted for residential purpose. The FAR was increased and this was regularised. This is against the provisions of CRZ notifications. The Secretary has stated that the area is in CRZ II. Even if it is true, he has permitted change of use of the building which is not permissible in CRZ II. Hence the contention of the Secretary is not correct and the action taken by the Thrikkadavoor Panchayat warrants action by invoking EP Act and placing in the KCZMA meeting. The General manger of "ALL SEASON" Hotel has furnished a request to change the CRZ status in the above said area.

The KCZMA discussed the reports and request in detail and decided that the committee constituted as per the Agenda Item No. 60.6.12 will submit a report on the issue of the violation and CRZ categorization. It was also decided to issue notice to the Secretary LSGD to take stringent action against Mr. R. Babu, Secretary, Thrikkadavoor Panchayat, who is responsible for giving permit for such illegitimate permission to Hotel Raviz and Hotel All Season without taking compliance to the CRZ Notifications.

KCZMA held on 27.07.2013, as the matter was decided without a proper report based field visit, the Authority constituted an inspection team to visit the site and report.

The inspection report has recommended the following facts. "The Vizhinjam Research Centre of CMFRI building lies between 200-500m from HTL of sea in CRZ-III. The site can be reclassified into CRZ-II only if the recategorisation proposal for newly annexed Panchayaths with Thiruvananthapuram Corporation submitted to Ministry of Environment & Forest (MoEF) is approved. The Hatchery facility lies in No Development Zone within 200m from HTL of sea and it is a permissible activity as per CRZ Notification. While considering the fact that Research Centre building of the CMFRI is used for conducting research programmes for augmenting sea food production, marine conservation and impart training on livelihood to local people and educational activities, the vicinity of coastal area may be necessary". Hence the case is placed before the KCZMA for a decision as to whether decision in the 57th meeting (57.6.1) is to be confirmed based on the site inspection report.

The KCZMA discussed the site inspection report in detail and decided to grant CRZ clearance for construction of new Office cum Laboratory building for Vizhinjam Research Centre of Central Marine Fisheries Research (CMFRI), Vizhinjam considering the observation in the report that Research Centre building of the CMFRI is used for conducting research programmes for augmenting sea food production, marine conservation and impart training on livelihood to local people and educational activities, the vicinity of coastal area may be necessary.

Establishment of Container Freight Station at Cochin Port Trust

The proposal for the establishment of a Container Freight Station at Cochin Port Trust has been considered by the KCZMA in its 55th and 57th meetings. The Authority decided to obtain specific documents regarding the time of reclamation. Accordingly the Port Trust Authorities furnished a reply. On a close reading of the same it is felt that the environment clearance mentioned therein is in respect of ICTT for which the reclamation of 350 acres was made. The port Trust has come to the conclusion that the reclamation was done prior to November 1984 as derived from the letter of Chief Engineer and Agenda for the meeting of Board of Trustees held as 29th November 1984, wherein the reclamation of 350 acres is mentioned. In the circumstances it may be thought of whether the details of MoEF clearance to the ICTT Project will be relevant to examine the present proposal for establishment of CFS in the part of the land of that 350 acres reclaimed. The copies of the resolution are not properly authenticated.

This item is deferred to the next meeting of KCZMA for a detailed discussion.

Extension of the term of appointment of Adv. Prakash Vadakkan, Standing Counsel, KCZMA

Adv. Prakash Vadakkan is presently engaged as the Standing Counsel of KCZMA in Hon'ble High Court. His term of appointment expired on 01.05.2013. As per GO (Rt) No. 75/2012/S&TD dated, 01.10.2012 that says terms and conditions of his appointment, he is eligible for a retainer of Rs.5,000/- (Rupees Five Thousand only) per mensum, Rs.3,000/- (Rupees Three Thousand only) for each case and Rs.1,000/- (Rupees Thousand only) as stationery charges for each case. Besides his duties are also specified in the GO.

Now his term of appointment as Standing Counsel has been extended for one more year with effect from 01.05.2013 on existing terms and conditions. However he had proposed the authority to revise his remuneration in the following manner with effect from 01.05.2013.

	Item	Existing Amt.	Proposed Amt.
1.	Retainer fee.	5,000/-	10,000/-
2.	Fee for each case.	3,000/-	7,500/-
3.	Stationery charges	1,000/-	2,000/-

Apart from this, he had claimed Rs.2,26,500/- (Rupees Two Lakhs Twenty Six Thousand and Five Hundred only) leaving out his eligible remuneration, for conducting 7 cases (WPs) in which Hon'ble High Court has delivered a land mark judgement (to remove the structures of M/s. Vamika and M/s. Kapico Resorts in two islands in ALP so far as it violates CRZ Rules) connected with the CRZ violations in the State. Claim which is not supported with any documentary evidences or supporting vouchers/bills, states that he had attended 99 days

hearings (for which he claim Rs.2,000/- per sitting i.e. Rs.1,98,000/-) and spent 28,500/- as stationery and other charges.

Hence KCZMA may decide on the following.

- (1) Ratification of the action in extending the term of Adv. Prakash Vadakkan as Standing Counsel for one more year w.e.f. 01.05.2013.
- (2) His claim for revision in his remuneration as stated in Para.2.
- (3) His claim of Rs.2,26,000/- for conducting 7 WPs in Hon'ble High Court as stated in para 3.

This item is deferred to the next meeting of KCZMA for a detailed discussion.

Now, the GIDA has informed that the General Council of the Authority, under the Chairmanship of Hon'ble Chief Minister, has decided to undertake the project as four independent projects. They forwarded the proposals of Phase-I and Phase-II for CRZ clearance. Project-I

involves construction of Moolampilly - Pizhala Bridge and Approach road. Project-II involves construction of Valiakadamakudy - Chathanad Bridge and Approach Road. Now the District Collector, Ernakulam has informed that as per the information furnished by the Office of the Resident Commissioner, New Delhi Ministry of Environment & Forest (MoEF) has delisted the project of Moolampilly - Chathanad Road Project as time barred. He also stated that Environment Clearance status query from the MoEF site also shows that there are no records in respect of cases awaiting for environmental clearance for infrastructure and new construction projects. Hon'ble Chairman has ordered to treat these proposals as fresh ones and place in the KCZMA. Hence KCZMA may advise on the further course of action.

KCZMA discussed the proposal by GIDA for Construction of Moolampilly - Chathanad Road in Phases (Project-I involves construction of Moolampilly - Pizhala Bridge and Approach road. Project-II involves construction of Valiakadamakudy - Chathanad Bridge and Approach Road) in detail and decided to grant CRZ clearance subject to the following conditions:

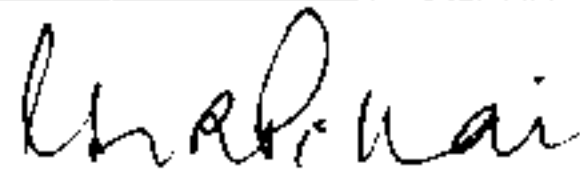

- (1) Clearance from Dept. of Environment (GoK) due to applicability of Wetland (Conservation and Management) Rules 2010 as the site is within Ramsar wetland.**
- (2) No dredging/reclamation shall be done within the wetland.**
- (3) There shall not be any hindrance to tidal flow and necessary arrangements have to be made towards this.**
- (4) Mangroves if any shall not be destroyed.**
